## Nostalgia Series

2016 THE FARM  
Napa Valley

In 1983, Tony and Herta Peju bought thirty acres of vines in the famed Rutherford district of the Napa Valley. Since then, the Peju family has maintained a meticulous focus on the vineyard, which has grown to include a proactive approach to sustainability and environmental consciousness. That longstanding commitment and respect for the grapes can be tasted with each sip of these balanced and elegant wines. Still family-owned and operated with daughters Lisa and Ariana poised to take the helm, Peju Winery has become an integral piece of the Napa Valley landscape.

### INSPIRATION

In honor of our rich heritage, we present the Nostalgia Series, a line of Peju Wine Club exclusive offerings. Spearheaded by Herta Peju, each label showcases a beloved photo of our property over the ages. The Farm pays homage to our Persephone Estate in Pope Valley, located in the north eastern region of Napa Valley. After sourcing Cabernet Franc from a Pope Valley vineyard, Tony was so intrigued that when he saw a property for sale down the road, he purchased what is now our Persephone Estate Vineyard in 1996.

### VINTAGE

The near-perfect 2016 growing season started early, saw ideal weather conditions throughout and wrapped up as the valley's first significant fall rainstorm arrived in mid October. Thanks to a relatively steady and mild summer and then a series of warm days at the end of the growing season, vineyards were able to progress to perfect ripeness. Wines from the 2016 vintage represent the fifth consecutive vintage of stellar quality Napa Valley wines.

### TASTING

Our 2016 The Farm entices the nose with rich aromas of loganberry, vanilla bean, and cherry cola. Flavors of rich juicy red fruit such as tart cranberry and raspberry blend with earthy tones reminiscent of tobacco. The sangiovese softens the bold tannins from the cabernet sauvignon making this a very easy to drink red blend. Wonderful now and this wine will age beautifully for the next decade.
