

PEJU

In 1983, Tony and Herta(HB) Peju purchased thirty acres of vines in the famed Rutherford district of the Napa Valley. They worked hard to build a winery, plant estate vineyards and raise their family. They remain family-owned, with their two daughters, Ariana and Lisa guiding the business today. Ariana and Lisa are bringing fresh innovation while maintaining the meticulous focus on quality that began over 35 years ago. With its landmark tower and warm hospitality, PEJU Winery is an integral part of the Napa Valley landscape.

VINEYARDS

We believe that great wines are made in the vineyard and we are committed to farming sustainably and naturally to preserve these properties for the long term. We are certified Napa Green at our Rutherford winery and vineyard. In 2019 all six of our estate vineyards were certified Fish Friendly Farming, as apart of our ongoing commitment to sustainability.

VINTAGE

The 2020 season will be remembered for factors beyond the normal measurements. Here in the valley, it was a warm, dry winter and we didn't start to see rain and cold weather until the end of March. Summer brought very cool mornings and very warm days. The wines are showing excellent development. While the 2020 Napa Valley harvest proved to be one of the most challenging in history, we are committed to bottling wines of the highest quality.
